Maximum quarter hour credits transferring to SCAD is 90.*	Maximum quarter hour credits transferring to SCAD is 90.*
Total BA degree requirements (quarter hours) is 180.	Total BA degree requirements (quarter hours) is 180.

**Global Perspective requirement may be fulfilled in Area C and/or Area E.

The courses listed are currently transferable under the 2013-2014 SCAD course catalog for specific SCAD requirements for the Bachelor of Arts in Visual Communication with a concentration in Photography. Students are subject to the requirements of the SCAD course catalog in effect at the time of his or her entry and registration at SCAD. Students may choose to fulfill requirements of any subsequent SCAD course catalog within five years of their first enrollment at SCAD. This document is specific to the Middle Georgia State's Associate of Art degree in art and the Savannah College of Art and Design's Bachelor of Arts in Visual Communication with a concentration in Photography. In order for a class to be considered for transfer, it needs to be at least three semester credit hours or five quarter hours. A grade of "C" or higher must be earned in the class. A course transferred from Middle Georgia State may fulfill only one SCAD course requirement. A maximum of 18 courses may transfer into the SCAD B.A. program of study. In some instances, a student's course selection may fulfill a different requirement than listed above. In those specific instances, it may be advantageous in the student's course of study to allow the course to fulfill a different requirement rather than a general education or free elective.

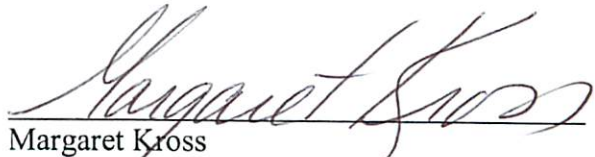

**Courses are subject to portfolio review at SCAD to transfer. Students not passing portfolio reviews may be required to complete more than 90 quarter hours at SCAD.*

****This course is required to earn Associate of Art Degree in Art from Middle Georgia State.**

I just noticed a small error on our articulation agreements. It reads:

AREA D - Science and Mathematics

Select

ASTR 1012 and 1013 or

BIOL 1103 and 1104 or

CHEM 1151 and 1152 or

CHEM 1211 and 1212 or

PHYS 1011 and 1012 or

SCIN 1005 and 1006

CIA Charlie Agnew 10/25/09

However, SCIN 1005 and 1006 should be SCIN 1105 and 1106, I believe. Would you like me to send an updated agreement or would you like to initial the change and attach this email and I will do the same here?

Thank you.

Margaret
