

Requirements for the **Baccalaureate Minor in Political Science**

The minor in political science is designed to give students a strong background in the primary specializations within the discipline: government, comparative politics, international relations, public policy, and political behavior. It encompasses sufficient coursework to allow graduates the opportunity to pursue post-baccalaureate study in political science, public administration, law and related fields, and can be pursued in combination with any baccalaureate major. It is also an excellent addition to any secondary education program.

Requirements for the **Baccalaureate Minor in Sustainability Policy Studies**

The minor in sustainability policy studies is a broad program for students interested in pursuing a deeper understanding of environmental policies and their impact. Students will encounter cultural, economic, political and historical contexts for the examination of environmental sustainability policies. It may be pursued by students in any baccalaureate program, and would be particularly appropriate for students majoring in biology, business, new media and communications, or those interested in pursuing a career in politics or government, regardless of major.
