CHANGE IN BACKGROUND CHECK

Teacher education candidates at Middle Georgia State University must inform the Dean of the School of Education when there has been a change to their background check information. Please complete the following form, return it to the office of the Dean of the School of Education, and make an appointment with the Dean to discuss the effect this change may or may not have on the awarding of certification by the state of Georgia. It is vital that the Dean receive this information in order to properly advise a candidate and to prevent certification problems at the completion of a candidate's program.
