

Academic Program Assessment (MGA)

Start of Block: Default Question Block

Title

Middle Georgia State University Academic Program Assessment

Instructions This form collects assessment information for all academic programs at Middle Georgia State University. Program directors, chairs, or deans, should submit one form each year (or semester) for each academic program and for each site the academic program is offered (https://www.mga.edu/institutional-research/docs/Programs_by_Location.pdf) (i.e. if a program is offered in Macon and Cochran, separate assessments unique to the students enrolled at each location should be submitted). It is essential that improvements based on the assessment are also clearly identified and that the department keeps evidence of those improvements (i.e. new exams, syllabi, instructional tools) when an improvement is identified and implemented. Major changes to curriculum must go through the Academic Affairs process. Student Learning Outcomes (SLO) should match the Assessment Plan and Curriculum Maps found here: <https://www.mga.edu/provost/program-histories.php>; if they don't please contact OIRDS to update them. NOTE: All fields are required, please place NA or O in response field ONLY if SLO is not being utilized, otherwise full responses are required. Provide ALL necessary information requested to the fullest extent possible, such that a peer reviewer is not required to assume any information not provided. Utilize the provided assessment scoring rubric drafting guideline to evaluate your report prior to submission. https://www.mga.edu/institutional-research/docs/IEB_Academic_Program_Student_Support_Advising_Scoring_Card.pdf

****Please SUBMIT the form within 30 minutes of opening this page. If you wait too long to submit you may lose your work**** In the event that you need to edit your submission, you may contact the Director of Institutional Effectiveness to secure a custom link to edit and resubmit.
