--	----

**Evidence of changes based on an analysis of results**

<b>What changes were implemented based on an analysis of the students' performance on these Student Learning Outcomes? (Evidence of the improvement must be kept and filed in the department or academic unit including but not limited to: changes in exam questions, reading assignments, syllabi, course instruction materials or assignments. Both old versions and new versions should be kept on file for 10 years.)</b>	The World Civilization sequence remains a difficult area for students. Last cycle, instructors in HIST 1111 provided students with additional written assignments in order to create increased opportunities for feedback. The design of this was to provide students the opportunity to understand their problem areas more effectively and address those areas prior to completing the assessed essay. This cycle, this approach will be implemented in HIST 1112.
