### Open Box for Assessment Comments

|  |  |
|--|--|
| <b>Open Text Box For Assessment Comments:</b>  | In AY 2019-2020, IDS implemented an SLO 2 learning initiative. Students in the IDS Cultural Studies elective courses submitted outlines and bibliographies of their Research Essays to the instructors before their assessed assignments came due. They received instructor comments on these submissions to help them prepare and write more successful Research Essays. This extra feedback aimed to help students excel in their Research Essays, which is the measurement for SLO 2. Due to course scheduling, SLO 2 was not measured on the Cochran campus in AY 2019-2020. As a result, there is no way to measure the success of this learning initiative on this campus during this assessment period. |
