Open Box for Assessment Comments

Open Text Box For Assessment Comments:	<p>This certificate program is a collaborative program between 9 universities and colleges that is taught and assessed at the collaborative level. Please contact Michael Baun at Valdosta State (michael.baun@valdosta.edu) for any required evidence and documentation. No students were enrolled in the program at MGA in AY 2019-20. The program steering committee continues to evaluate changes to the program and course content based on student performance in the capstone seminar (EURO 4830) and other courses.</p> <p>No changes were made at MGA based on assessment of the program because no students have formally declared the program. To potentially attract students, the program was recently revised to bring course prerequisites in line with those at other institutions participating in the program.</p>
If the COVID-19 pandemic impacted this assessment cycle, please provide specific details below. (Also submit any COVID-19 correspondence from your accrediting body to assessment@mga.edu when you submit this form with your Department name and program in the subject line.)	Program steering committee was unable to meet as planned at annual EUSP Student Conference in April.
