Title.

Middle Georgia State University Academic Program Assessment

*Instructions.* This form collects assessment information for all academic programs at Middle Georgia State University. Program directors, chairs, or deans, should submit one form each year (or semester) for each academic program and for each site the academic program is offered ([https://www.mga.edu/institutional-research/docs/Programs\\_by\\_Location.pdf](https://www.mga.edu/institutional-research/docs/Programs_by_Location.pdf)) (i.e. if a program is offered in Macon and Cochran, separate assessments unique to the students enrolled at each location should be submitted). It is essential that improvements based on the assessment are also clearly identified and that the department keeps evidence of those improvements (i.e. new exams, syllabi, instructional tools) when an improvement is identified and implemented. Major changes to curriculum must go through the Academic Affairs process. Student Learning Outcomes (SLO) should match the Assessment Plan and Curriculum Maps found here:

<https://www.mga.edu/provost/program-histories.php>; if they don't please contact OIRDS to update them.

NOTE: All fields are required, please place NA or O in response field ONLY if SLO is not being utilized, otherwise full responses are required. Provide ALL necessary information requested to the fullest extent possible, such that a peer reviewer is not required to assume any information not provided. Utilize the provided assessment scoring rubric drafting guideline to evaluate your report prior to submission. **\*\*Please SUBMIT the form within 30 minutes of opening this page. If you wait too long to submit you may lose your work\*\*** In the event that you need to edit your submission, you may contact the Director of Institutional Effectiveness to secure a custom link to edit and resubmit.

Q1. Submitters Email

dorothy.howell@mga.edu

Q2. For which program is this assessment being submitted? An academic program for this purpose is defined as a major within a degree program (i.e. Bachelor of Arts with a major in English, Bachelor of Science with a major in Chemistry, Associates in Occupational Therapy Assistant).

BS Health service Administration

Q3. For which campus is this program assessment being submitted? Note: A separate assessment report is needed for each location a program is offered.

Cochran

Macon

- Eastman
- Dublin
- Warner Robins
- Online

Q4. In which College is this program located?

- Arts and Letters
- Aviation
- Health and Natural Sciences
- Business
- Computing
- Education and Behavioral Sciences

Q5. Program Type

- Graduate
- Undergraduate
- Certificate

Q6. Which semester were the data collected and analyzed? If across multiple semesters, select the latest semester of data.

- Summer 2022
- Fall 2022
- Spring 2023

Q7. Approximately how many students are enrolled in this program at this location?

10

8. SLO 1: What is the first Student Learning Outcome for this support area? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)

Students will apply critical analysis skills to contemporary health issues through the evaluation of research and have a basic understanding of the healthcare system and the environment in which healthcare managers and providers function.

9. SLO 1: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. test, survey, etc) and provide specific details of the instrument (e.g. name, content areas, link etc.)

This SLO was not measured on the Cochran Campus as HLSA 3000, 3310, and 4470 were not offered.

10. SLO 1: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)

85% of students will earn a score of 75% or higher on the individual research project, indicating their ability to evaluate research as a mode of applying critical analysis skills to health issues and exhibit a basic understanding of the healthcare system and the environment in which healthcare managers and providers function.

11. SLO 1: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)

85% is a benchmark score derived by reviewing 2-3 Health Service Administration courses to determine the percentage of students who pass the assessment. A letter grade of "C" is considered satisfactory indicating basic mastery of content.

12. SLO 1: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)

0

13. SLO 1: Improvement Plans and Evidence of Changes Based on Performance Analysis: How does the analysis of students' performance on this Student Learning Outcome inform the implementation of improvement plans, and what evidence is collected and documented to support these changes?

This does not apply here as this objective could not be measured on this campus.

14. SLO 2: What is the second Student Learning Outcome for this support area? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)

Students will demonstrate the ability to apply business principles, including monitoring quality, systems thinking, human resources, and financial management, to the healthcare environment.

15. SLO 2: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. test, survey, etc) and provide specific details of the instrument (e.g. name, content areas, link etc.)

Final Project in HLSA 3360 The 3360 Quality Management Course requires students to research features, processes, and current trends in Quality Management in healthcare (or any other industry) by discussing the quality management strategies used in a particular company/organization to achieve a competitive advantage. The final quality improvement project PowerPoint focuses on the central theme of the course, which is how to use quality management strategies and techniques to improve an organization's competitive position compared to other firms in its industry. SLO 4410 Final Project measured via questions on the Final Exam.

16. SLO 2: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)

85% of students will earn a score of 75% or higher on the individual projects/final exams indicating their ability to apply business principles, including monitoring quality, systems thinking, human resources and financial management, to the healthcare environment.

17. SLO 2: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)

85% is a benchmark score derived by reviewing 2-3 Health Service Administration courses to determine the percentage of students who passed the assessment. A letter grade of "C" is considered satisfactory, indicating basic mastery of content.

18. SLO 2: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)

100%

19. SLO 2: Improvement Plans and Evidence of Changes Based on Performance Analysis: How does the analysis of students' performance on this Student Learning Outcome inform the implementation of improvement plans, and what evidence is collected and documented to support these changes?

As 100% of the students taking the assessment made 75% or better on the final assessment, faculty will continue to monitor student performance and provide any additional assistance to students to ensure continued student success.

20. SLO 3: What is the third Student Learning Outcome for this support area? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)

Students will illustrate their ability to communicate clearly and concisely with internal and external customers, establish and maintain relationships, and facilitate constructive interactions with individuals and groups.

21. SLO 3: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. test, survey, etc) and provide specific details of the instrument (e.g. name, content areas, link etc.)

N/A. This SLO was not measured on the Cochran campus.

22. SLO 3: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....)

85% of students will earn a score of 75% or higher on the individual projects/final exams indicating their ability to apply business principles, including monitoring quality, systems thinking, human resources and financial management, to the healthcare environment.

23. SLO 3: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)

85% is a benchmark score derived by sampling 2-3 Health Service Administration courses to determine the percentage of students who passed the assessment. A letter grade of "C" is considered satisfactory indicating basic mastery of content.

24. SLO 3: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)

0

25. SLO 3: Improvement Plans and Evidence of Changes Based on Performance Analysis: How does the analysis of students' performance on this Student Learning Outcome inform the implementation of improvement plans, and what evidence is collected and documented to support these changes?

An improvement plan is not warranted as this SLO was not measured.

26. SLO 4: What is the fourth Student Learning Outcome for this support area? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)

Students will be able to appraise the abilities of leaders to inspire individual and organizational excellence, create a shared vision and successfully manage change to attain the organization's strategic ends and successful performance.

27. SLO 4: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. test, survey, etc) and provide specific details of the instrument (e.g. name, content areas, link etc.)

N/A. This SLO was not measured as the courses that measure it were not offered on the Cochran campus.

28. SLO 4: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)

85% of students will earn a score of 75% or higher on the individual project indicating their ability to assist healthcare leaders use their shared vision to effect change and engage successful organizational performance.

29. SLO 4: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)

85% is a benchmark score derived by sampling 2-3 Health Service Administration courses to determine the percentage of students who passed the assessment. A letter grade of "C" is considered satisfactory indicating basic mastery of content.

30. SLO 4: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)

0

31. SLO 4: Improvement Plans and Evidence of Changes Based on Performance Analysis: How does the analysis of students' performance on this Student Learning Outcome inform the implementation of improvement plans, and what evidence is collected and documented to support these changes?

We will continue to monitor the need for offering the courses specific to this SLO on the Cochran Campus.

Q41. List each program concentration or track within the larger academic program and clearly articulate the expected learning outcomes. (If distinct note them distinctly, if common restate).

N/A

Q42. How do you collect and report data on the achievement of these learning outcomes for each program concentration or track?

N/A

Q43. Report and analyze the learning outcomes associated with each program concentration or track

N/A

32. How many students participated in the assessment of these learning outcomes, in this program, for this assessment cycle at this location? (Provide Number)
