27. If the COVID-19 pandemic impacted this	Diversity, Inclusion, & Equity/Title IX hosted
assessment cycle, please provide specific	table talks on Diversity/Inclusion and Title IX
details below.	policy and compliance on all five campuses.
	During these table talks, students were
	engaged in discussions with the Director of
	Diversity, Inclusion, & Equity/Title IX
	Coordinator about inclusivity, non-
	discrimination, Title IX compliance, ways to
	stay safe, how to report Title IX violations.
	Title IX collaborated with other groups to
	educate and engage students in activities
	regarding personal safety and on Title IX
	issues. There were several in-person
	programs and initiatives that were planned
	for the month of April 2020 that were not
	implemented due to COVID-19 which in turn
	affected the ability to determine the
	outcome of stated goals. A speaker was
	engaged in planning with the Diversity Office
	to speak to students regarding
	LGBTQ/gender/orientation discrimination
	matters during Spring 2020. However, the
	onset of the COVID-19 pandemic interrupted
	the implementation of this assessment. More
	campus-wide table talks were planned but
	unable to implement in the month of April
	2020.
