Department Mission and Goals

The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.	Facilities anticipates and supports the evolving facility needs of our campus community, creates and maintains a first-class learning environment for learning, and invests limited resources wisely.
7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.	1)Streamline and right-size Facilities organizational structures across the 5 campuses. 2)Create a plan for succession as over 50% of Facilities staff will reach retirement age in the next 10 years, 34% in the next 5 years. 3)Document and improve processes and procedures to encourage accuracy, compliance, and efficiency in purchasing, contracting, and approval of invoices.

Objectives

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY21. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY22.

Objective 1

11. Objective 1: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)	<p>In conjunction with the Georgia National Guard, we offered training for all MGA employees as well as USG institutions, on the proper methods and equipment for disinfecting campus facilities during the COVID-19 pandemic. We had 60% participation from the Facilities staff for this training.</p> <p>Additionally, employees were offered the opportunity for additional training in disinfection standards used by the National Guard which qualified them to participate in the Rapid Response Disinfection Team. This Team is tasked with treating spaces where there is a possible or confirmed COVID diagnosis. Eleven employees volunteered for this additional formal training, 9 from Maintenance and 2 from Custodial. We had 100% participation of those who volunteered for this additional training.</p> <p>Informal training sessions were monthly at team meetings. Topics ranged from safety protocols to updates on the new payroll process to reminders of vacation/sick policies. Due to employee absences, we had approximately 85% participation overall.</p>

Open Box for Assessment Comments

<p>33. Based on this assessment, please share your thoughts on the current status and future direction of this department or area. Use this space to summarize overall use of assessment results for continuous improvement and open text box for assessment comments:</p>	<p>Since consolidation in 2013, Facilities has lost 50% headcount. In this next fiscal year, we must focus on rebuilding by filling key position and/or expanding contracts to cover tasks.</p>
<p>37. If the COVID-19 pandemic impacted this assessment cycle, please provide specific details below.</p>	<p>Significant resources were expended during FY21 on the COVID-19 pandemic. Every space on all five campuses had to be set for social distancing in July of 2021, including measuring and resetting classroom furniture and then communicating that to Academic Affairs so that class size could fit the number of seats available. Facilities was involved in defining, ordering, and placement of all COVID-related signage. We created and implemented cleaning protocols for classrooms, restrooms, offices, and common areas. The extra workload meant that planned and routine tasks, such as documentation of processes and creation of surveys as well as normal day-to-day routine work, had to be less of a priority.</p>
