Series I: Correspondence. 1987-2006.
30 boxes; 15.5 linear feet

Series Description and Arrangement: The correspondence series includes correspondence from constituents, state and county officials, organizations, businesses, other representatives and friends. This series is organized into seven sub-series: A) Constituents; B) Constituent Services; C) General; D) Legislative; E) Personal; F) Political; G) Restricted Material. The folders within each sub-series are arranged by year.

Sub-series A: Constituents 1987-2006

Sub-series Arrangement: Folders in the Constituent sub-series are arranged chronologically. Documents within the folders are arranged alphabetically by the name of the constituent (who is not always the person who wrote created the document).
