July 11, 2018

TO: Dr. Jon Anderson, Provost
Middle Georgia State University

FROM: Dr. Marti Venn

RE: Approval to change degree name

The Office of Academic Affairs approved a request from the Education Deans to convert the B.S with a major in Early Childhood Education to a B.S. with a major in Elementary Education. We did this under the auspices of one substantive change request and listed all the institutions who were approved to make this change if so desired.

Let me know if you need additional information.

Thank you
