

MIDDLE GEORGIA STATE UNIVERSITY
GRADUATE STUDIES
CHANGE/ADD CONCENTRATION OR
SECOND PROGRAM FORM

The first step in adding or changing a concentration or program is to meet with the graduate program coordinator in order to determine the appropriateness of the concentration or program and your eligibility for the concentration or program. Please note:

- Concentrations and programs can only be added or changed if you are accepted into the related Program of Study
• Adding/Changing concentrations and programs could delay graduation (Consult graduate program coordinator)
• Adding/Changing concentrations and programs could affect your financial aid award (Consult Office of Financial Aid)

Directions: (This form is designed to be completed electronically and submitted via email.)

Fill in the fields below, sign and date the form electronically. Next, secure the electronic signature of the graduate program coordinator for the new concentration or second program by emailing them the form.
