- d. Students must meet all MGA eligibility requirements in order to reside on campus. If suspended, expelled, removed from Housing per a conduct resolution, or voluntarily withdrawn from MGA, the Student shall immediately (within 48 hours) and in a prudent manner remove all of their property and belongings from the residence hall and from MGA premises; and in the event the Student fails to do so, MGA, without any responsibility or liability whatsoever, may dispose of such property and belongings as MGA sees fit.
 - i. The minimum required credit hours to receive a housing assignment is 12 per semester. At the time of move-in, students who are not registered for 12 credit hours and at least 3 credit hours for the summer session will not be eligible to move in.
 - ii. During the semester, a student may not drop below 6 credit hours and remain in on-campus housing. If a student drops below 6 credit hours, they must apply for special consideration to remain in on-campus housing. A student who does not remain on-campus due to dropping below 6 credit hours is not eligible for any refund.
- e. Students living on campus that fall below a 2.0 GPA at any time during their residency, may be required to participate in academic success coaching. This may include mandatory enrollment in an academic support seminar. Failure to complete the required academic coaching or seminar could result in loss of housing.
- f. Individuals under the age of 17, unless enrolled as a full-time MGA student, are not permitted in the residence halls without the presence of their parent or legal guardian. Children under the age of 16 are not permitted in the residence halls overnight unless through a sponsored University program.
- g. MGA reserves the right of access to any and all spaces in a residence hall for purposes of maintenance, emergency, health, order, and any other purpose pertinent to the protection and preservation of the health, wellbeing, and discipline of the MGA community during the term hereof, including break periods and between academic terms.
- h. In the event of any interruption of utilities (including but not limited to HVAC, lights, water, and electricity) during the term hereof, MGA shall make every reasonable effort to restore service promptly, but in no event shall there be any refund, rebate, or abatement of any amount paid by or on behalf of the Student or of any amount due or to become due by or on behalf of the Student.
- i. Furniture, fixtures, or any other property of MGA may not be removed from any space in the residence hall for any reason.
- j. Although precautions are taken to maintain facilities with contemporary safety, MGA does not assume any legal obligation to pay for injury to person (including death) or loss of or damage to items of personal property, which may occur in its buildings, on its grounds prior to, during, or subsequent to the Contract period. This includes loss or damage caused by fire, water, steam, theft, or otherwise. The Student and their parent, guardian, or other guarantor, are encouraged to carry appropriate insurance to cover such losses.
- k. The Student is responsible for insuring any and all of their property and belongings brought onto or located on MGA property at any time. MGA shall not be responsible for or liable for any loss, damage, or destruction of such property and belongings.
- l. The Student shall at all times exercise responsible care in their use of all facilities at MGA. The Student shall abide by all rules and regulations, effective during the term hereof, pertaining to MGA's Housing and Residence Life community, all such rules and regulations being incorporated by reference. This Contract shall be governed by the laws of the United States, the State of Georgia, the rules and regulations of the Board of Regents of the University System of Georgia, and the policies of MGA as described in the Student Handbook, the Resident Student Handbook, and any other publication of MGA, including in print and on-line.
- m. Students are expected to be diligent in their care for residential spaces. This includes submitting work orders for their assigned living space in a timely manner and reporting ongoing concerns for the building, such as cleanliness, pests, HVAC concerns, leaks, and other maintenance concerns. Students found to be negligent in the care of housing facilities may be charged for repairs.
- n. Students are expected to take every precaution to assure that communal property is not abused. In the instance where MGA has determined that there is abuse of MGA property and the responsible

individual(s) cannot be identified, all residents of that area may be held responsible for paying a prorated share of repairing such damages.

- o. MGA shall, as of the beginning date of this Contract issue to the Student a key (or keys) to their assigned space and a Room Condition and Inventory Form ("RCIF"), which describes the then current condition of the Student's assigned space. The Student shall, prior to receiving said key(s), acknowledge the condition of the assigned space by signing the RCIF. In the event the Student, upon further inspection of their assigned space, objects to the condition of the space as described in the RCIF, they shall immediately and in writing specify their objections and deliver to their Residence Life Coordinator. Possession of the key(s) to the assigned space constitutes occupancy of said space.
- p. Once the signed Contract is received and accepted by MGA, the Student is obligated to all conditions and costs associated with living in a residential community. The voluntary termination of this Contract by the Student after the dates outlined in Section 2 of this Contract will result in a \$500.00 Early Termination Fee. If during term, the Student must vacate the residence hall within 48 hours of non-enrollment being verified. Requests to cancel must be made in writing to the Housing and Residence Life Office.
- q. If the Student withdraws from all classes prior to a point equivalent to 60% of the official scheduled class days in the semester, a \$500.00 Early Termination Fee will be charged and the Student will be entitled to a pro-rated refund of the residence life fee provided they properly check out of their assigned space according to published policy. If the Student has occupied the assigned space for 60% or more of the official class days of the semester, the Student will not be required to pay the \$500 Early Termination Fee; however, the student will receive no refund of the housing and residence life fee for the semester. All other fees will be prorated according to the published University policies.
- r. When the Student vacates the assigned space, for any reason, the Student shall, immediately upon removing their property and belongings from the assigned space, notify their Resident Assistant (RA) so that the RA may conduct an inspection of such space and note any damage or destruction which occurred during the student's occupation of the space. The Student's failure to so notify their Resident Assistant shall result in the automatic imposition of a \$100 improper check-out fee to the Student. Failure to return all keys issued to the Student shall result in a charge of \$55 for each key issued to the Student. Any damage or destruction found, beyond normal wear and tear, shall be charged to the Student's account. The charge will reflect MGA approximation of the reasonable cost of repair or replacement, as the case may be, of the item(s) or property damaged or destroyed.
- s. This Contract shall become effective only upon MGA's written acceptance of same in space provided below.
