

WELCOME HOME, KNIGHTS!

The Office of Housing & Residence Life is looking forward to welcoming you home for the 2023-24 academic year. Whether you are a new or a returning student, we are so glad you are here! Please see below for some move-in tips and important information for the first week!

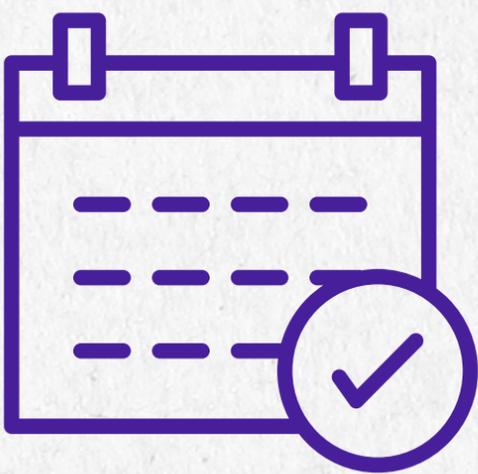

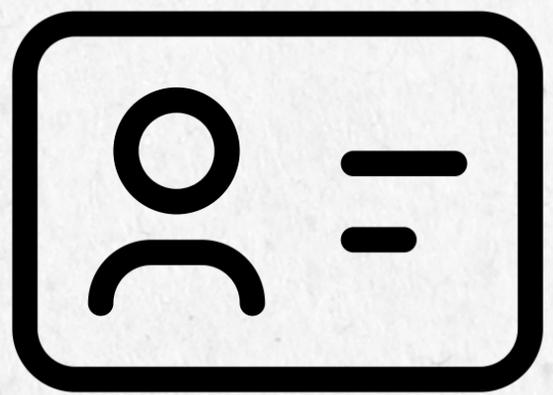

01

It will be HOT! Bring water. Be prepared for rainy weather and avoid packing in cardboard.

02

Have a photo ID on hand for check-in. A friend or family member cannot receive a key for a student.

03

Due to the high volume traffic, we have staggered arrival times. Please adhere to your selected move-in time. Still need to select a move-in time? [Follow this link](#) to our online move-in resources.

04

Parking near the residence halls is in high demand during move-in. Please be courteous to others by unpacking your vehicle(s) quickly and moving them to the other side of parking lots. This will allow others arriving behind you to park closer to the building to unload.
