Miller Cranford

- ★ I am an Elementary Education and Teaching major with a Psychology minor.
- ★ I hope to one day educate students from K-5 all the way up to, and through, college in classroom and museum settings.
- ★ My favorite book is Virgil's *Aeneid*; my favorite movie is *ParaNorman*.
- ★ In my spare time I enjoy writing, reading, shopping, swimming, stargazing, and spending time with my family, friends, and pets.
